With Cricket Season rapidly approaching, now is a great time to start checking your equipment to see what your club or organisation may require for the coming months.

Here at Pettitt Sports, we are pleased to announce that we currently have a fantastic Special Offer on our Portable Cricket Cages. Available in a choice of Galvanised Steel or Aluminium, both cages come with 6 wheels for improved manoeuvrability, making them ideal for Schools or Clubs to move around with the minimum of effort. The cages come complete with 2mm black surround/roof netting which is joined for ease of installation. This also prevents any gaps in the joints where cricket balls may escape. The cricket cages measure - 3.2m High x 3.6m Wide x 7.2m Deep. A high quality finish on these cages makes them an ideal addition to any facility which demands strength and longevity from their sports equipment.

Pettitt Sports are proud to offer great quality Sports Equipment at competitive prices, all backed up with confident product knowledge and great customer service.
